USE INTEMAN PRODUCTS AND PROTECT THE ENVIRONMENT AND YOUR SAFETY

INTEMAN PRESENTS YOU:

BIOTEMAN FAMILY:

Biological products with the same or higher efficiency than the traditional chemical products.
Biodegradable products that help to reduce the environmental impact.

KENBI FAMILY:

Our research and development department, thanks to biotechnology (addition of enzymes and microorganisms to our products), has designed new products with higher added value.

✓ MAXIMUM HANDLING SAFETY

Products without pictograms and warning advices in order to guarantee the safety of workers and final users.
Products that help to reduce the impact on human health.
Products with neutral pH.

✓ ENVIRONMENTAL SAFETY

Biodegradable products that help to reduce the environmental impact along their life cycle.

✓ EFFICIENCY

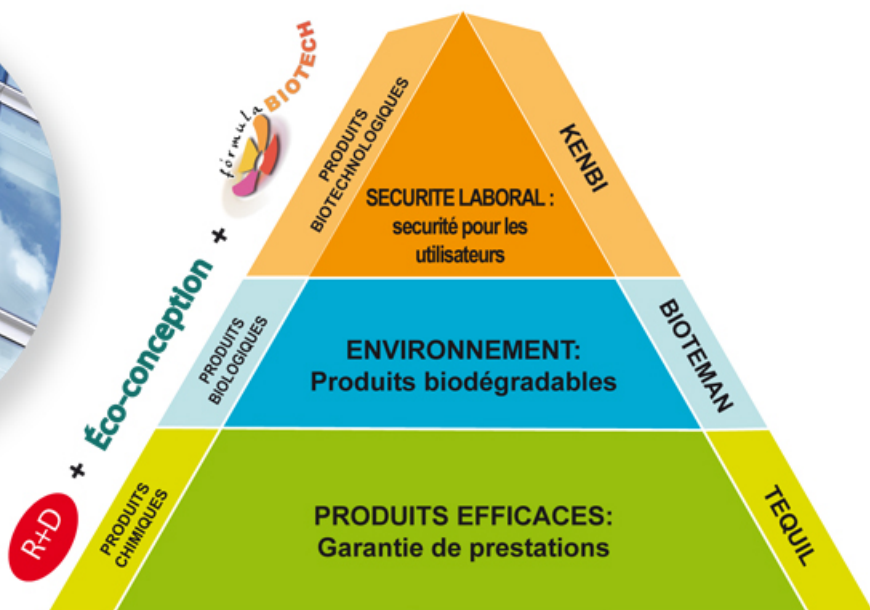

Products with the same or higher efficiency than traditional chemical products.

✓ GREEN PURCHASE

Eco labelled and eco designed products.
Our eco-labelled and eco-designed products guarantee their efficiency and environmental safety along their life cycle.

INTEMAN HELPS YOU TO REDUCE THE NEGATIVE IMPACTS ON HUMAN HEALTH AND THE ENVIRONMENT AND CONTRIBUTES IN THIS WAY TO SUSTAINABLE DEVELOPMENT RECOMMENDED BY THE DIFFERENT EUROPEAN POLICIES AND DIRECTIVES.

WHO ARE WE?

INTEMAN Laboratories is a company founded in 1980, leader in research, design, production and distribution of biological, biotechnological and chemical products.

OUR MISSION

Design highly effective biological and biotechnological products without pictograms that help to improve the environment and the safety of users.

Supply integral solutions and advice to improve processes and generate added value to the customers.

CERTIFICATIONS

Our company has these certifications :

- ISO 9001 : since 1997.
- ISO 14001 : since 1999.
- EMAS : since 2003 (making easy the green purchasing).
- ECODESIGN ISO 14006 : since 2011 (making easy the green purchasing).

OUR FAMILIES OF PRODUCTS

TEMAN : products for industrial maintenance (lubricants, greases,...)
KORTEMAN : cutting oils (without nitrites and based on vegetable oils)
TECONS : additives, waterproofing, products for the construction
TEQUIL : cleaners, degreasers, disinfectants,...
TEPAINT : surface coating (water-based, solvent-based...)
BIOTEMAN : biological products of cleaning, degreasers.
KENBI : biotechnological products of cleaning and pipes and grease traps treatment.

PRODUCTS CERTIFICATION

In our brochure we have products certified with :

Éco-conception
